Attachments: FTM Promissory Note Statmnts & Calculations CURRENT.xlsx

Hi Oliver,

That is disappointing to hear. I apologise on behalf of Southpac for this.

I attach our records as they stand currently (I note that all notes that are not current or in the process of be renewed are hidden and can be viewed by selecting the unhide command). Please inform me how you would have us proceed in this matter that has been raised by Bill.

I will be happy to provide any other information you require upon request. Would you like a copy of all the FTM note agreements that we have on file for your records?

Best regards,
Sam Gilling

Hi Sam,

We have not received any notes from Nora in several years now.

Kind Regards, Oliver

Dear Oliver,

I was very pleased to hear form Bill. I am hoping that the Promissory Notes will all be in good order soon.

Can you please confirm Bill's assessment below conforms to the expectations of Infinity? From Nora's record, if I add interest until the 31 December 2018 I arrive at \$192,738.57 which is slightly less than Bill's number.

Further, it would be useful if you would provide your record of the current FTM promissory notes, as Principal of the Company, so that I may contrast them against Bill's and ours. Would this be possible? I note some of Bills numbers are irreconcilable with our own currently.

Best regards,
Sam Gilling

Subject: PN #56

Hello Samuel

Well, I am back in Vanuatu! By next week, I hope to have the time to assist you with the finishing-off of the promissory notes saga - long overdue.

In the meantime, I need the following to happen with respect to redeemed Promissory Note #56 which has never been paid out in full to FTM Ltd. Therefore, I want the following to happen:

1. There is a balance still owing to FTM Ltd, as at the 31 December 2018, of US\$193,893.31 2. Issue a new Promissory Note for the amount of US\$165,100.00 3. That will leave a P/N #56 balance still to be paid to FTM Ltd, as at the 31 January 2019, of US\$29,045.17 4. The interest on the new promissory note for the amount of US\$165,100 is to have an interest start date of 1 January 2019

Please refer to my attached worksheet for Promissory Note #56.

Any questions just email me.

Regards
Bill Dalzell
